Development Manager, Reg. F/T
BC Housing, Burnaby,

As a Development Manager, you'll also be responsible for providing assistance to non-profit housing providers and local communities as they develop their housing developments. You may also have the opportunity to work with the Real Estate division on the negotiation of property acquisitions, dispositions and interests of land. You'll be a great fit for this role if you have previous project management experience, ideally related to the development of multi-residential housing. You'll also have a university degree in business administration, project management, land use planning, real estate development financing or a related field. Most importantly, we're seeking candidates who share the values of our organization and who are committed to helping those in need. You'll also be equipped with superior analytical, planning, organizational and problem-solving skills and have proven ability to manage multiple, large-scale projects. Previous experience negotiating and brokering an array of agendas and working knowledge of multiple-unit housing development is needed, as is computer proficiency. Due to the nature of this role, a valid BC driver's license, access to a reliable vehicle and the ability to travel is also required. Applications MUST be submitted online by February 25, 2019, Job ID: 2996, at www.bchousing.org/careers/current-opportunities
