

Press Brake Operator

Brenco Industries, Delta, \$24 - \$30/hr

Requirement for an experienced press brake operator (minimum 2 years experience). Experience with CNC machines is preferred, but not essential. This is a permanent, full time position. Brenco operates 8 Press Brakes ranging in length from 3'-0" to 24'-0" and 40 to 800 ton capacity. Five of our newest machines utilize CNC controls. Duties include following verbal instructions, reading shop drawings, set up and operate press brake and complete appropriate paperwork. The applicant must be able to communicate very well in English, including reading and writing and have good spatial and math skills. The position will entail working on our AFTERNOON SHIFT, which is Monday to Thursday (4 ten hour shifts, 2:00 p.m. to midnight). Email resume resumes@brenco.com
